

# AUSTRALIAN ERICIFOLIA ESSENTIAL OIL

## USE

🔥 Topical - 🌿 Aromatic

## SCIENTIFIC NAME

*Melaleuca ericifolia*

## PRODUCT SUMMARY

Australian Ericifolia essential oil, commonly known as 'Lavender Tea Tree', synergistically combines the benefits of Tea Tree with the soothing nature of Lavender. Found in Tasmania, the vivacious *Melaleuca ericifolia* plant is steam distilled to create an essential oil that is sweet and woody with lingering notes that are freshly floral.

Australian Ericifolia is a powerful addition to your beauty routine and aromatherapy sessions. It's also great to keep on hand for everyday uses. Its dynamic benefits and familiar aroma will have you reaching for this unique essential oil day and night.

## EXPERIENCE

Australian Ericifolia has a subtle aroma that blends the herbaceous, refreshing qualities of its cousin Tea Tree and the floral sweetness of Lavender. When diffused it boosts every space.

## PRODUCT BACKGROUND

Australian Ericifolia comes from wildcrafted populations of *Melaleuca ericifolia* grown on Flinders Island in Tasmania, Australia. The bright plant grows 10-26 feet tall around the coast and hilly slopes. With an aroma and benefits often compared to Tea Tree, Australian Ericifolia is a member of the same family as this essential oil favourite. Only select populations are harvested to ensure essential oil consistency and sustainability.

## BENEFITS & FEATURES

- Excellent at providing a calming sensation when applied topically.
- Great aromatic companion for outdoor activities.
- Has a pleasant, woody aroma with herbaceous, floral undertones.
- Key constituents include eucalyptol, limonene, b-pinene, linalool, alpha-terpineol and viridiflorol.

## SUGGESTED USE

- Add V-6™ Enhanced Vegetable Oil Complex and apply it to your chest to revitalise your spirit after a long day.
- Combine with Lavender and Rosemary and apply it to your scalp for envy-worthy locks of hair.
- Apply a few drops directly onto your face for the appearance of refined and supple-looking skin.
- Diffuse with Roman Chamomile for a night-time routine filled with self-care and rejuvenation.
- Apply it directly to soothe skin.

## DIRECTIONS

**Topical:** Apply 2-4 drops directly to desired area. Dilution not required, except for the most sensitive skin. Use as needed.

**Aromatic:** Diffuse up to 30 minutes 3 times daily.

## CAUTION

Keep out of reach of children. For external use only. Avoid contact with eyes and mucous membranes. If you are pregnant, nursing, taking medication or have a medical condition, consult a health care professional prior to use.
