

BLACK SEED OIL

Item No. 31056 Size: 106 ml AUST L 338102

PRODUCT SUMMARY & BACKGROUND

Harvested and cold-pressed from the tiny black seeds of the *Nigella sativa* plant to help maintain the chemical composition of the oil, Black Seed Oil is known as “The Seed of the Blessing” or *habbatus sauda* in the Middle East. It has been used in a variety of ways dating back for more than 3,000 years and was even found in the tombs of Egyptian pharaohs.

Black Seed Oil was traditionally used in Middle Eastern herbal medicine to maintain and support healthy immune system function and healthy blood sugar levels. This vegan supplement also acts as an antioxidant to reduce the formation of free radicals in the body.
