

Savvy Minerals by Young Living

BLENDING SPONGE

Item No. 25067

PRODUCT SUMMARY

Customise your coverage with the Savvy Minerals by Young Living® Blending Sponge! Our blending sponge is a blending icon, here to help you effortlessly and flawlessly apply Savvy Minerals by Young Living Liquid Concealer and Liquid Foundation for everyday use.

We designed our latex-free makeup sponge to fit perfectly in your hand, allowing for beautiful blending with precise application for defined or natural looks. Use the rounded end to cover larger surfaces and the contoured end for more precise application around the nose, chin, and eyes. Cover, contour, and highlight for a streak-free, standout finish with the Savvy Minerals by Young Living Blending Sponge!

BENEFITS AND FEATURES

- Blends beautifully for a streak-free application
- Helps achieve medium to full coverage
- Provides a smooth, airbrushed finish
- Absorbs minimal product for minimal waste
- For use with liquid makeup
- Latex free
- Not tested on animals

DIRECTIONS

Wet blending sponge with water before use. Squeeze out excess water. Apply a small amount of liquid foundation onto the sponge and dab onto skin to blend.

CAUTIONS

Keep out of reach of children.
For external use only.

PRODUCT BACKGROUND

For generations, wearing makeup meant covering your skin in harsh chemicals. During the last few decades, we've seen the rise of clean beauty and all the buzz words that go with it: paraben-free, phthalate-free, etc. What do they even mean? With Savvy Minerals by Young Living, you can be confident you're part of The NEW Standard in Clean Beauty™.
