PRODUCT BACKGROUND

Designed for convenient use on the go, the Young Living Gentle Mist™ Personal Diffuser provides all the basic features of the traditional diffusers you know and love, in a compact and portable option.

BENEFITS & FEATURES

- Portable, compact and battery powered—perfect for travel.
- Developed in collaboration with essential oil skin care specialists.
- Runs up to 21 cycles on one full 8 ml reservoir. Tested and guaranteed to run using the purest essential oils.
- Replaceable ultrasonic plate and reservoir.

CAUTION

Do not inhale the vapour directly from the vapour exit port. For safety and care information, refer to the Gentle Mist™ Personal Diffuser Operation Manual.

If you are diffusing photosensitive essential oils, please keep skin protected from sunlight and UV light for a period of up to 12 hours. Only diffuse essential oils labelled for topical use. Avoid diffusing 'hot' essential oils.

SUGGESTED USE

- Add 2 - 4 drops of your favourite essential oil and diffuse the mist around your face and neck during your morning and evening skin care routine.
- In the morning, add 2 - 4 drops of an essential oil with a bright, energising aroma like Geranium or Peppermint and mist on your face after a shower or before applying makeup.
- Refresh yourself while travelling by using after long airplane or car trip.
