

USE

🌿 Aromatic - 💧 Topical

PRODUCT SUMMARY

For an added boost, try KidScents® KidCare™ essential oil blend. Apply KidCare™ topically to improve the appearance of your child's skin or to promote positive feelings. Formulated with seven powerful wellness essential oils, KidCare™ is a must-have essential oil blend for your kids.

KEY INGREDIENTS

Coconut oil, Idaho Balsam Fir, Tea Tree, Helichrysum, Elemi, Cistus, Hinoki and Clove essential oils

BENEFITS & FEATURES

- Promotes clear and healthy-looking skin.
- Soothing, calming and relaxing during times of distress.

DIRECTIONS

Recommended application is for children ages 2 - 12. To be applied only by a trusted adult or under adult supervision.

Topical: Apply 2 - 4 drops directly to desired area. Dilution not required, except for the most sensitive skin. Use as needed.

Aromatic: Diffuse up to 1 hour 3 times daily. Directly inhale.

CAUTION

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are nursing, taking medication or have a medical condition, consult a health professional prior to use.

STORAGE

Keep in a cool, dark place.

ALLERGY CONSIDERATIONS

Contains Nuts: Coconut Oil

[†]100% pure, therapeutic-grade essential oil

Contains coconut/palm ingredients

FREQUENTLY ASKED QUESTIONS

Q. Can KidScents® KidCare™ be ingested?

A. No, KidScents® KidCare™ essential oil blend is for topical and aromatic use only.

Q. Can we provide a range for the percentage of carrier oil in the KidScents® essential oil blends?

A. We are unable to provide a percentage of the carrier oil in the KidScents® blends under any circumstance as it is considered proprietary information. We do apologise for the inconvenience this may cause.

Through our research and skin sensitivity testing, we have determined that the KidScents® essential oil blends are suitable for direct application for children ages 2-12 as directed on the product labels.

For those new to essential oils, we would suggest testing the oil on a small location before applying it to the desired area. We also recommend having a carrier oil such as V-6™ Enhanced Vegetable Oil Complex close by in case additional dilution is required for the individual child.
