FREQUENTLY ASKED QUESTIONS

Q. Is Lushious Lemon Foaming Hand Soap safe for children to use?

A. Yes! Lushious Lemon Foaming Hand Soap is gentle enough for the whole family to use.

Q. Since Lemon essential oil is used in the formula and can raise concerns of photosensitivity, is this product safe to use on skin?

A. Yes! Every essential oil in our Lushious Lemon Foaming Hand Soap is diluted to a level that is safe for topical use.

Q. Why does Lushious Lemon Foaming Hand Soap include alcohol as an ingredient?

A. The alcohol helps blend the ingredients together to distribute them evenly. Alcohol also serves to preserve the formula. The alcohol in Lushious Lemon Foaming Hand Soap is denatured by treating it with Lemon essential oil, which prevents oral consumption. Topical use of alcohol treated with essential oils is safe for skin. Most companies denature alcohol with chemical additives, but we use essential oils to create a better alternative to other products on the market.
