PRODUCT SUMMARY

From skincare to self-care, Neroli is your new secret weapon! Extracted from orange blossoms, Neroli essential oil features a fresh, citrusy, floral scent and was highly regarded for its uplifting aroma in ancient times. Applied topically, it promotes the appearance of youthful, radiant skin and helps to reduce the appearance of blemishes.

KEY CONSTITUENTS

Linalool, limonene, beta-pinene

FEATURES & BENEFITS

- Has a fresh, citrusy, floral aroma
- Promotes the appearance of youthful, glowing skin when applied topically
- May reduce the appearance of blemishes
- Offers a bright, uplifting scent that pairs well with other citrus and floral essential oils

PRODUCT BACKGROUND

Neroli essential oil comes from the bitter orange tree, *Citrus aurantium amara*. The oil is steam-distilled from the delicate orange blossoms, which need to be handled with great care to avoid crushing the petals. The bitter orange tree is unique, in that it is used to obtain three distinct essential oils: Bitter Orange from the orange peels, Neroli from the orange blossoms and Petitgrain from the leaves and immature fruit.
