Product Size: 5 ml Item No: 38252

PRODUCT SUMMARY

Raise your voice to break through silence with One Voice™. Created in collaboration with The D. Gary Young, Young Living Foundation to support the Foundation's effort to end exploitation worldwide, One Voice essential oil blend is a complex bouquet of exquisite floral, grounding, woody premium essential oils. This Young Living exclusive essential oil blend includes the inspiring scent of Highest Potential™; the invigorating aroma of Clarity™; the grounding notes of Sacred Sandalwood™, Sacred Frankincense™ and Helichrysum; the fresh, woody notes of Idaho Grand Fir and Idaho Blue Spruce; and the floral aroma of Ylang Ylang and Rose. These oils are favourites of Young Living co-founders D. Gary Young, Mary Young and family, carefully selected for their symbolic significance and aromatic properties. One Voice is the second in a series of essential oil blends created in collaboration with the Young Living Foundation. As such, 35 percent of each wholesale purchase of One Voice is donated to the Foundation's efforts to end exploitation, where funds will be used to protect the vulnerable from losing their freedoms to human trafficking and help survivors restore their lives. The One Voice label design was created by a human trafficking survivor who is currently participating in the Hope for Justice Stepping Stones program—a program sponsored by the Young Living Foundation that provides teen survivors with the life skills they need to live independently and to thrive in the future. This label design celebrates the personal transformation that once-exploited individuals undergo as part of the restorative process: the transformation from victim to survivor; from having no voice to having a unified voice of freedom.
