

PRODUCT SUMMARY

Farewell to falsies, we're going natural! Savvy Minerals by Young Living® is made with lash-loving ingredients including lavender, arginine, buildable natural plant fibres, and carnauba wax to take your lashes to new heights.

Our clean, richly pigmented formula glides on without unwanted clumps or flakes to lengthen and define lashes.

KEY INGREDIENTS

- Carnauba Wax to weightlessly condition lashes
- Natural plant fibres from pine to promote volume and texture with each application
- Arginine helps make lashes look thicker and gives a conditioning boost
- 100% therapeutic-grade Lavender Essential Oil from our farm in Simiane-la-Rotonde, France
- Jojoba and coconut oil to condition lashes
- 100% natural dye from iron oxides

EXPERIENCE

Lengthening Mascara noticeably defines, lengthens and curls for fuller-looking, lush lashes free of clumping or flaking. Our clean, naturally derived formula is cruelty-free and uses richly pigmented natural dye for dramatic visual impact and carnauba wax to weightlessly condition lashes. Each application creates smudge-free, flake-free lashes that are remarkably flutter worthy.

PRODUCT BACKGROUND

For generations wearing makeup meant covering your skin in harsh, even toxic, chemicals. For the last few decades, we've seen the rise of clean beauty and all the buzz words that go with it: paraben free, phthalate free, etc. But what does that even mean? With Savvy Minerals by Young Living you can be confident you are part of The NEW Standard in Clean Beauty™.

SAVVY MINERALS BY YOUNG LIVING® LENGTHENING MASCARA

DIRECTIONS

Apply mascara from the roots of the lashes to the tips on upper and lower lashes. Use tip of brush for hard-to-reach areas. For best results, allow mascara to dry between additional applications to build extra length.

SUGGESTED USES

Layer mascara to get an even more dramatic look. Apply Lengthening Mascara first to lift your lashes then layer Volumizing Mascara on top.
