

Product Summary

Shutran is an empowering essential oil blend that is specially designed for men to boost feelings of masculinity and confidence. Its inspiring aroma appeals to both men and women, and although used like a cologne, Shutran does not contain any synthetic ingredients. Instead, it is formulated with pure, therapeutic-grade essential oils, including the exclusive-to-Young-Living Idaho Blue Spruce, a refreshing, invigorating essential oil to both body and mind.

Even though Shutran is specifically designed for men, the women in their lives will also benefit. Just a few drops throughout the day can help with an impossible workday.
