

Product Summary

Young Living's Stress Away Roll-On has a soothing fragrance, and the distinctive oils in this blend combine to create a very relaxing aroma. Stress Away contains the unique combination of Lime essential oil and Vanilla, with its naturally occurring eugenol. This blend also includes Copaiba, which has a history of beneficial properties; Lavender, with its refreshing and calming scent; and Cedarwood, which features the powerful plant constituent cedrol. All of these ingredients are expertly blended with the exotic scent of Ocotea, Young Living's exclusive Ecuador single essential oil.

Ingredients

Copaifera officinalis† (Balsam copaiba) resin, Citrus aurantifolia† (Lime) oil, Cedrus atlantica† (Cedarwood) wood oil, Vanilla planifolia fruit extract, Ocotea quixos† (Ocotea) leaf oil, Lavandula angustifolia† (Lavender) oil
†100% pure, therapeutic-grade essential oil

Did You Know?

- Ocotea essential oil is derived from the tall ocotea tree and has a long history of traditional uses in Amazonia.
- Copaiba is the only essential oil extracted through tapping, similar to how maple and rubber are gathered.
- The Vanilla in Stress Away does not contain water, unlike most vanilla oil sold on the market today.
- Young Living members proposed the name for Stress Away.
