

# THIEVES® FRUIT & VEGGIE SOAK

## PRODUCT SUMMARY

Enjoy your fruits and vegetables as nature intended with Thieves® Fruit & Veggie Soak!

This unique formula combines three exclusive Young Living essential oil blends with other naturally derived ingredients to effectively wash your produce. It's highly concentrated for long-lasting use.

Perfect for meal preparation or cleaning larger amounts of produce, add a small amount of Thieves® Fruit & Veggie Soak to a basin of water, soak, rinse and enjoy clean fruits and vegetables!

## KEY INGREDIENTS

Thieves® essential oil blend, DiGize™ essential oil blend, Purification® essential oil blend

## EXPERIENCE

Thieves® Fruit & Veggie Soak safely and effectively cleans produce, without leaving behind any residue or aftertaste.

## PRODUCT BACKGROUND

According to the Environmental Working Group (an organisation of scientists, researchers and policymakers), the most contaminated fruits and vegetables are peaches, strawberries, pears, lettuce, apples, cherries, capsicums, spinach, nectarines, imported grapes, celery and potatoes.

Thieves® Fruit & Veggie Soak offers a quick and easy solution for effectively cleaning large amounts of produce—whether it's for meal preparation for your family, cooking for a big event or canning fresh garden vegetables.

## BENEFITS & FEATURES

- Safely and effectively cleans fruits and vegetables.
- Doesn't affect taste of fruits or vegetables.
- Highly concentrated for long-lasting use.
- Great for both conventional and organically grown produce.

## DIRECTIONS

Use 1½ teaspoons for every litre of water. Completely cover produce and soak for 1 - 2 minutes. Rinse with clean water.

## CAUTION

Keep out of reach of children. For external use only. Avoid contact with eyes.

## STORAGE

Do not expose to direct sunlight.
