

WINTER NIGHTS ESSENTIAL OIL BLEND

Item No. 35240 Size: 5 ml

PRODUCT BACKGROUND

Cosy up your home when the nights grow short and the air grows cold with Young Living's exclusive Winter Nights essential oil blend! This Young Living signature scent combines the cool, inviting scents of Northern Lights Black Spruce, Peppermint, Cedarwood and Orange. Winter Nights's aroma invigorates any home, with the magic of softly falling snow, the peace of crisp midnight air in winter and the warmth of cosy spaces. This blend is a perfect complement for Young Living's new Winter Nights Foaming Hand Soap and Lotion. And it's only available for a limited time, so you'll want to grab a bottle this season before it's gone!

WINTER NIGHTS ESSENTIAL OIL BLEND

Item No. 35240 Size: 5 ml

PRODUCT BACKGROUND

Make the brisk winter air come alive with the scent of Winter Nights essential oil blend! Young Living's exclusive signature scent Winter Nights features Northern Lights Black Spruce essential oil, produced exclusively at the Northern Lights Farm and Distillery in British Columbia, Canada. Established in 2014, this farm remains a pristine landscape to grow and harvest the botanical for one of Young Living's most beloved essential oils.

Orange, which is produced at the Amanzi Amahle Cooperative Farm in South Africa and Peppermint, produced at the Labbeemint Partner Distillery in Washington join to add some brightness and effervescence to the Winter Nights blend and to elevate the foresty notes of Black Spruce and Cedarwood. Warm your heart and freshen your home with the crisp and cosy aroma of Winter Nights essential oil blend.

SUGGESTED USE

- Diffuse throughout your home to create an uplifting, relaxing, cosy environment.
- Add to Young Living's Car Vent Diffuser to leave your car smelling fresh as the crisp midnight winter air.
