Our much-loved Essential Rewards Program explained

You can now use your ER points to try any product in the catalogue*! Ensure that you always have your favourite Young Living products such as Oils, Collections, ER Bundles and Diffusers on hand with the convenience of Essential Rewards, where products are sent hassle-free from our door to yours! Available exclusively to Young Living Brand Partners, the Essential Rewards program offers many benefits.

High value products

You can now save your ER points and redeem them against higher value items like our elegant Aria Diffuser and Rose essential oil. If they seemed out of reach before... they're not!**

Greater benefits

As a YL brand partner, you can now use your ER points to try any product in the catalogue*! That's got to be good news!

You'll find that all products in the Price List and on your Virtual Office at checkout, will show the number of ER points required to redeem your chosen* items. Too easy.

Note: The product ordering page will not show ER points.

**Excluding Starter Bundles, charity oils, items with OPV such as accessories and tools and shipping charges.*

***Redeemable PV will differ from PV value of items – refer to Pricelist for details.*
