

Starter Bundle

COMPARISON CHART (AUS)

The upgraded Australian Starter Bundles now include 5 Wellness essential oils - that are listed as complementary medicines. These replacement oils have white labels and an AUSTL number to differentiate them from their counterparts.

Basic Starter Bundle

COMPARISON CHART (AUS)

The Basic Starter Bundle is now even better value for money and is a great unboxing experience with a single tray that the products fit neatly into. The updated branding matches other Starter Bundles and the thinner box is more environmentally friendly. The Bundle now includes two of your favourite essential oils as we've included the much-loved Lavender Wellness essential oil in addition to StressAway™.
