Deep Relief essential oil blend, 15 ml

Your neck and sore joints will thank you! Deep Relief™ is a top-selling favourite for its soothing, cooling sensation—perfect during or after a workout. Its refreshing aroma delivers an invigorating breathing experience that helps when you're trying to stay energized and ready to move. Peppermint, a key ingredient, is used in aromatherapy to help relieve joint and muscle pain from sprains, strains and even rheumatoid arthritis. That makes Deep Relief a must-have for gym days, busy routines and active lifestyles.

Plus 100 and 200 PV rewards.

YL tip

Adults: Dilute 5 drops of oil in 5 ml of carrier oil (maintain a 1:1 ratio if making more). Apply to the affected area up to 3 times daily. Do not use undiluted or orally. Avoid eyes and mucous membranes; if contact occurs, rinse with vegetable oil.
