Peppermint essential oil, 15 ml

July just got cooler—literally. This crisp, refreshing classic oil isn't just for winter holidays; it's a summer power move. Dilute and dab it on the back of your neck after a hot hike, swipe some on your temples mid-afternoon as you sit down to focus or add a drop to a cold compress for instant chill mode. As one of the most beloved and time-tested oils, Peppermint is perfect for hot days and tired muscles.

Plus 100 and 200 PV rewards.

MultiGreens™ capsules, 120 ct.

Feeling a little wilted in the summer heat? Score MultiGreens, a chlorophyll-rich supplement packed with spirulina, alfalfa, barley grass, bee pollen and more. This blend provides a source of antioxidants that helps fight against oxidative damage and amino acids involved in muscle protein synthesis. Forget the green-juice mess; just pop your MultiGreens and go.

Plus 100 and 200 PV rewards.

YL tip

Take 2 capsules 2 times daily.
Pro tip: Take MultiGreens with a healthy fat (like avocado or nuts) to help your body better absorb the fat-soluble nutrients and essential oils.
