

PRODUCT SUMMARY

ART Light Moisturiser works with your skin to retain and maintain proper hydration. Suitable for all skin types, this proprietary blend of essential oils and innovative active botanicals will leave your face feeling soft and supple, revealing your natural, radiant complexion.

This exceptional moisturiser, which is part of Young Living's luxurious ART skincare range, combines royal Hawaiian sandalwood and frankincense with botanical extracts to provide outstanding skin conditioning benefits.

PRIMARY BENEFITS

- Contains all safe and natural ingredients that effectively moisturize your skin.
- Helps reduce the appearance of fine lines.
- Encapsulates and slowly releases skin-loving essential oils.
- Works in tandem with your skin.

WHO SHOULD USE ART® LIGHT MOISTURISER?

- Those who want a natural product to support healthy-looking skin
- Individuals seeking support for a more youthful appearance

SUGGESTED USE

After cleansing, apply moisturizer over dry face and neck. For best results, apply both morning and night and as needed throughout the day.

CAUTIONS

- For external use only
- Do not expose to direct sunlight
- Keep out of reach of children

- ART® Sheerlumé Brightening Cream

DID YOU KNOW?

- When properly hydrated, our skin cells can better replace themselves, which keeps us looking younger.
- As we age, our skin becomes dryer, requiring more moisturising.
