

While babies are known for their cuddly softness, dry skin affects infants just like adults. Hot baths, dry air, irritants, and other factors can all leave your baby uncomfortable and fussy.

Combat the effects of dry skin and prevent future dryness with Young Living Seedlings Baby Lotion. This non-greasy moisturiser supports moisture barrier function and smoothly absorbs into your baby's delicate skin, leaving it moisturised, soft, and smooth.

Made without alcohol, parabens, synthetic fragrances, artificial dyes, or other unwanted ingredients, Seedlings Baby Lotion is formulated with 100 percent plant-based ingredients and pure essential oils to soothe your little one with a light, calming scent.

BENEFITS AND FEATURES

- Uses a mild, gentle formula developed specially for infants' delicate skin
- Prevents dryness by soothing and moisturising skin
- Features a non-greasy formula that absorbs smoothly into skin.
- Leaves skin moisturised, soft, and smooth
- Made with plant-based, naturally derived ingredients
- Lightly scented with 100 percent pure essential oils
- Dermatologist tested and hypoallergenic
- Vegan friendly
- Formulated without alcohol, parabens, phthalates, petrochemicals, animal-derived ingredients, synthetic preservatives, synthetic fragrances, or synthetic dyes

HOW TO USE

Squeeze a small amount into your hands. Rub hands together to warm the lotion and then gently massage into baby's skin.
