

PRODUCT SUMMARY

Cool Azul™ Sports Gel is formulated with an unprecedented 10 percent (10ml) of pure essential oils in every 100ml tube. The lead ingredient, aloe vera, further adds to its uniqueness by making the formula's base highly beneficial. Along with hydrating the skin, our sports gel also boasts a topically cooling blend of Peppermint essential oil, menthol, and camphor and includes Plectranthus Oregano and Young Living-exclusive Dorado Azul essential oil.

The naturally derived ingredients give Cool Azul Sports Gel a unique consistency that makes application convenient and easy for anyone, including physical, sports, and massage therapists alike. No matter your training or fitness level, Cool Azul Sports Gel is a perfect choice to use before or after physical activity.

PRIMARY BENEFITS

- Formulated with 10 percent essential oils – a much higher percentage than most competitors
- Dorado Azul and Plectranthus Oregano essential oils are grown on Young Living farms
- Cool Azul Sports Gel has an invigorating yet relaxing aroma
- Aloe vera is a preferred formula base than water.
- Leaves skin feeling soft & hydrated

SUGGESTED USE

- Shake well before use. Rub and massage generously into skin. Wash hands after use.

CAUTIONS

- Keep out of reach of children
- For external use only
- Keep away from eyes and mucous membranes
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use
- Proceed with caution when applying to sensitive skin

DID YOU KNOW?

- Two thirds of the adult population in the European Union do not reach recommended levels of activity, which is 30 minutes per day on most week days.
- The trend within the region is towards less activity, not more.
