

Keep little bottoms comfortable without using harsh chemicals that could irritate sensitive skin. With mild, gentle ingredients you can feel good about, Young Living Seedlings Diaper Cream just may be the best diaper treatment you'll try for your baby's sensitive skin. Seedlings Diaper Cream is made with 100 percent naturally derived ingredients, including 100 percent pure essential oils. This thick, lavender-scented cream soothes on contact, protects your baby's delicate skin, and acts as a physical barrier to wetness.

Seedlings Diaper Cream can be used before bed or anytime when exposure to wet diapers may be prolonged. The extra gentle, mild formula—developed specially for your infant's tender skin—seals out wetness and helps balance skin moisture.
