

## Product Summary

Thieves AromaBright® Toothpaste is a premium, all-natural toothpaste made with 100% pure essential oils, including the powerful and exclusive Thieves® essential oil blend, along with other ingredients promoting oral health. Its global formula is safe and effective, without any fluoride, dyes, synthetic ingredients, or preservatives unlike some commercial brands.

AromaBright's formula provides a fortress of support for healthy gums, strong teeth, and a confident smile. It is the optimal choice for health-minded consumers.

## Primary Benefits

- Creates an alkaline environment in the mouth that is unfavourable for and hampers the growth of bacteria
- Supports healthy gums and strong teeth
- Provides a refreshing minty taste with ingredients that may help support dental hygiene
- Global formula meets the strict standards of world markets
- All-natural toothpaste is free of synthetic or genetically modified ingredients

## Who Should Use AromaBright Toothpaste?

- Individuals who demand an effective and, above all, natural toothpaste, free of synthetic ingredients.

## Suggested Use

- Brush teeth every morning and night and preferably after each meal.

## Cautions

- Avoid contact with eyes.
- Store in a cool, dry place.

## Did You Know?

- Xylitol helps inhibit the production of an enzyme critical to the survival of bacteria.
- Thieves AromaBright Toothpaste uses a non-GMO sunflower lecithin.
- Calcium carbonate may help alleviate tooth sensitivity.
- Clove oil, nature's richest source of eugenol, is the highest-scoring single ingredient tested for its antioxidant capacity on the ORAC scale.
- Cinnamon bark is high in antioxidants.

## Complementary Products

- Thieves® Dental Floss
- Thieves® Mouthwash
- Thieves® Essential Oil Blend
- Lemon Essential Oil
