

Product Summary

The warm, spicy aroma of Light the Fire™ includes Mastrante and Northern Lights Black Spruce from Young Living's Ecuador and Canada farms, together with Nutmeg, Cassia, Ocotea, Canadian Fleabane, Lemon, Pepper, and Hinoki.

This unique and inspired essential oil blend was formulated by D. Gary Young for Young Living's 2015 International Grand Convention. Diffuse this blend for an inspiring fragrance in any environment or add it to V-6™ Vegetable Oil Complex for a powerful aromatic experience. Light the Fire includes the naturally occurring constituents beta-caryophyllene, alphapinene, beta-pinene, and limonene.

Primary Benefits

- Light the Fire has a warm, spicy aroma, with a fresh cinnamon overtone.
- Diffuse this oil for an inspiring fragrance in any environment.
- Add to V-6 massage oil for a powerful scent experience.

Suggested Use

- Apply to desired area. In case of sensitivity, dilute 15 drops in 10ml of V-6.
- Aromatic: Diffuse up to 10 minutes 3 times daily.

Cautions

- Keep out of reach of children.
- For external use only.
- Keep away from eyes and mucous membranes.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior

to use.

- Proceed with caution when applying to sensitive skin.
- Avoid direct sunlight or UV rays for up to 12 hours after applying product.
