# AROMA RINGS

## PRODUCT BACKGROUND

Young Living's exclusive Aroma Ring was designed to offer a private, aromatic experience with your busy lifestyle in mind. Now you can harness the benefits of our AromaEase essential oil blend or Lavender essential oil while at home or on the go, without needing to worry about packing your oil bottles or a diffuser. The Aroma Ring also provides a new, convenient, and simple way for you to enjoy your favourite aromas without distracting others. Put one on for a powerful, soothing, personal aroma oasis that the stranger sitting next to you won't even notice!

## DIRECTIONS

Remove Aroma Ring from package and place on nose, on ear, or near face; then breathe deeply and enjoy. Recommended for children over 8 with parental supervision.

If you reuse your Aroma Ring, we recommend that you thoroughly sterilise it between each use. Even with sterilisation, it should not be shared with other people. If you have been ill, do not reuse.

To reuse, soak in a solution of 70 percent rubbing alcohol and 30 percent water for 2–5 minutes, let dry for 5–10 minutes, and add 1–2 drops of your preferred essential oil. Thoroughly dry before using again. Over time, your Aroma Ring may begin to degrade; dispose of it immediately.

## CAUTIONS

Potential choking hazard. Keep out of reach of children under 8 years old and pets. If rash or irritation develops, stop use. Avoid contact with eyes. Aroma Rings are made of latex-free silicone that is safe to clean and reuse.
