Key Ingredients

Lavender Essential Oil, *Lavandula angustifolia*, is used in the traditional medicine of many cultures as a calmative. Studies have shown that the fragrance of lavender is calming and balancing. A conifer oil, cedarwood can be applied topically to combat oily skin or inhaled as a sedative.

Roman Chamomile Essential Oil, *Chamomelum nobilis*, has traditionally been use to calm and soothe small children. When used for aromatherapy, Roman chamomile can help relieve restlessness and is highly regarded for as a powerful relaxant.
