

Product Summary

D. Gary Young specially formulated Peace & Calming II[™] essential oil blend as his recommended option and alternate to Peace & Calming. Gary handpicked this new formulation to stay true to the original constituent character of its predecessor and offer the same great experience.

The gentle aroma of Peace & Calming II includes Tangerine, Orange, Ylang Ylang, Patchouli, German Chamomile, Vetiver, Cistus, Bergamot, Cassia, Davana, and Young Living's exclusive Northern Lights Black Spruce essential oils. This proprietary blend creates a relaxing and pleasant aroma when inhaled or diffused. Dilute and apply topically to moisturise and beautify the appearance of skin.

Peace & Calming II includes the naturally occurring constituents germacrene D, linalol, alpha-pinene, and bisabolol. Along with Peace & Calming, you'll now have two unique and powerful options that can be used individually or together for a complementary experience!

Primary Benefits

- Has a relaxing and pleasant aroma that is great for any environment.
- Beautifies the appearance of skin when applied topically.
- Can be diluted and applied topically to moisturise skin.
- Creates a gentle and relaxing atmosphere when inhaled or diffused.

- Lavender Essential Oil
- Relaxation[™] Massage Oil

Did You Know?

- The Northern Lights Black Spruce in this blend is a Young Living's exclusive essential oil grown and distilled at our new Northern Lights farm in British Columbia, Canada.
- In Thailand, Ylang Ylang is applied after bathing and is often used to scent laundry.
- The tangerine is native to Asia and was introduced to the Europeans in the early 19th century.
- Orange essential oil is cold pressed from the rind and contains the naturally occurring constituent limonene.
