

PRODUCT SUMMARY

Thieves® Waterless Hand Purifier utilizes powerful essential oils to clean and purify hands. Moisturizing emollients, like aloe vera, enrich our formula and add hydrating benefits.

The larger 225ml bottle is ideal for every room in your house. Making a family-sized bottle readily available could increase your family's use and motivate children to be proactive in keeping their hands clean. Use Thieves® Waterless Hand Purifier as an optimal tool when trying to increase your family's overall hygiene.
