- **Motivation 5 ml:** Help restore confidence and concentration after the summer break with our Motivation blend! Including roman chamomile, spruce, ylang ylang and lavender, this popular oil can help you to pursue new goals with a positive mindset.
- **Highest Potential 5 ml:** The end of the year is creeping closer and now is a great time to reassess your goals for 2019. Use our Highest Potential blend of ylang ylang, jasmine, sandalwood, white fir and other essential oils to uplift and inspire.
- **En-R-Gee 15 ml:** The aroma of this stimulating blend of rosemary, juniper, lemongrass and other essential oils can help to restore mental alertness and boost energy levels. Apply topically or diffuse next time the day feels like it's dragging.
- **R.C. 15 ml:** Our R.C. blend of spruce, cypress and three types of eucalyptus is a useful one to have on hand as the days get cooler. Dilute with your favourite carrier oil or add a few drops to your bath to enjoy the revitalising steam.
- **Wintergreen 15 ml:** Want to take some time out in the evening to recuperate after a long day? Add Wintergreen to a hair mask or bath, or use as part of a soothing massage to help ease tired muscles.
- **Dill 5 ml:** You may be more familiar with dill as an ingredient in some of your favourite recipes but did you know that the aroma of Dill essential oil is also a great choice when you're feeling the pressure? Let the fresh, grassy scent help relax you and encourage a more restful night's sleep.
- **Essential Rewards exclusive: Spearmint 5 ml:** Start your week right with the refreshing aroma of Spearmint! Diffuse this oil while you're getting ready to revitalise your environment and bring a burst of minty freshness to your morning.
