Pure, Natural, Comforting

Add a flavorful boost to your health routine. Lavender Honey from Young Living's Provence Farm in France is harvested from bees who made their homes around the flourishing lavender fields, giving it a delicate and unique floral taste profile. This plus its organic certification by EcoCert makes Young Living's Lavender Honey a matchlessly pure, natural and comforting food for the whole family.

Keaslian Alam Semula Jadi

Tambah sentuhan lazat dalam rutin kesihatan anda. Lavender Honey dari Ladang Provence Young Living di Perancis diperoleh daripada lebah yang hidup di ladang lavender mekar, memberikan profil rasa bunga yang lembut dan unik pada madu ini. Ditambah lagi dengan pensijilan organik oleh EcoCert menjadikan Honey Lavender Young Living santapan menyenangkan, asli, dan semula jadi untuk seisi keluarga.
