

FREQUENTLY ASKED QUESTIONS: ABOUT THE CHANGE OF DESTINATION

Q1. Is this contest the same as the 2019 Take the Lead Darwin Challenge?

Yes. It is the same contest. We have changed the name into '2019 Take the Lead Gihndagun Challenge' to match the new destination.

There have been some unforeseeable changes to our Darwin partner farm operation, and since we would like to give you the most optimal Seed-to-Seal learning experience, we have decided to change the destination to Gihndagun Farm.

Q3. What will happen to my Take the Lead Darwin Challenge points?

Your points will remain valid for this ongoing promotion. The destination change will only affect travel arrangements and not your point status.

This rerouting is due to unforeseen changes to Darwin Farm's operation.

Q5. How will the rerouting affect the mechanics of the challenge?

The rules of the challenge remain the same, but the incentive just got more exciting!

Q6. What can I see at the Gihndagun Farm in Tatham, Australia?

Gihndagun Farm in Tatham, Australia is just 2 hours away from Gold Coast, and 137 miles south of Brisbane. This is where Tea Tree or Melaleuca Alternifolia essential oil is from.

Beach...and find out why it's a Surfer's Paradise.

Nature...be awed by the pristine beauty of Tamborine Rainforest Walk. Immerse yourself into the natural beauty of Currumbin Wildlife Sanctuary while feeding the kangaroos and cuddling the koalas!
