On the Quick Order catalog in VO, a special category called **Anniversary Sale 2024** will be created. It will have all the special codes for all Anniversary Sale promotional items and bundles, running from November 18, 10AM to November 20, 11:59PM.

2. Can I start adding 6 Years YLPH SALEbration promo items to my cart before 10AM?

Note: Some items will appear first the others. If you can see the items, feel free to add them to your cart.

3. Will the promo follow the regular item codes?

No. Special discount and bundle codes have been created for all 6 Years YLPH SALEbration promos. Make sure you purchase using the promo codes. Otherwise, you will not be able to enjoy the discounts.

4. I accidentally carted and checked out the regular codes. Can my order be manually adjusted to reflect the correct promo prices?

We will turn off on Quick Order the regular codes of the promo items at 9AM. If you are still seeing the regular codes in your VO, please do not cart and check them out. You may refer to the cheat sheet that we will be releasing before the promo starts. It has the complete list of codes with the product/ bundle name as well as the discount scheme.

5. Is there a maximum number of discounted promo items I can purchase?

All Philippines-based members can purchase the promo items on Quick Order (QO) in unlimited quantities from November 18, 10AM to November 20, 11:59PM, or until supplies last.

6. Is there a limit to the number of free items that I can avail of?

Every qualified order (minimum of 110 PV worth of On-The-Ground products on QO in a single receipt) is entitled to 2pcs of Lavender Lip Balm.
