ENROLLER DUPLICATION PROGRAM • STARTING JANUARY 1, 2025

- No. To qualify for Step 2, you must first meet the Step 1 requirement. Hence you must have at least 2 personal enrollments to be eligible for Step 2 prize.
- Will reactivating a downline count towards my number of enrollments?
 - No. Reactivating accounts will not be included as part of the qualification requirements of Linking Lives.
- How can I claim my prize/s?
 - Enrollers must purchase a minimum of 100 PV Loyalty Rewards Order within 30 days from the 15th of the following month to receive the prize.

Example: If you qualify in January 2025, you must place a Loyalty Rewards Order of a minimum of 100 PV between February 15 to March 14, 2025 to receive the prize.

- I have adjustments to my enrollments, until when can I have these processed?
 - Processing of adjustments can only be accommodated following these deadlines:
 - For Member Services adjustments such as enroller changes, backdating, unpaid orders - until 3rd of the following month.
 - For disputes on the total number of enrollments for the qualifying month (Ex. Leaderboard released by YLPH did not include your name but you had at least 2 enrollments) – until 12th of the following month.
 - Promo Disputes JotForm: <https://bit.ly/DisputeForms>
- What are the possible reasons for my enrollments to not be counted?
 - Enroller change – can only be processed within 5 days of enrollment. Enroller changes may not be immediately reflected in our official report. By default, our system records the enroller at the time of enrollment.
 - Unpaid orders – orders that are unpaid during the time of generating the report may cause the enrollment to not be counted.
 - Non-PH based enrollment/s
 - Reactivation enrollment/s
 - Cancelled or returned orders
