

## *Dash for Cash*

### *Frequently Asked Questions*

**1. If I personally enroll 5 new enrollees, how much will I receive for the Dash for Cash Reward?**

You will receive \$6.00 per enrollee, which means your total Dash for Cash Reward will be \$30.00 (5 enrollees X \$6.00).

**2. If I personally enroll 10 new enrollees, how much will I receive for the Dash for Cash Reward?**

You will receive \$7.00 per enrollee, which means your total Dash for Cash Reward will be \$70.00 (10 enrollees X \$7.00).

**3. Is there a cap on how much an Enroller can earn?**

There is no earnings cap. Enrollers may earn as much as they can, as long as the enrollments meet the requirements and fall within the promo duration (March 1–31, 2026).

**4. I have a personal enrollee in another Young Living market. Can this be counted toward the Dash for Cash requirement?**

No. Only Young Living Philippines (YLPH) enrollments completed within the promo period will be credited to the Enroller.

**5. What exchange rate does YLPH use for dollar conversions?**

YLPH currently uses a peg rate of \$1 = PHP 51.20 for incentive computations.

**6. Will the reward be disbursed in US Dollars or Philippine Pesos?**

The Dash for Cash payout will be released in Philippine Pesos separately from the regular schedule of YLPH commission payout date. The payout will be directly deposited to your registered bank account. The target release date of Dash for Cash Enroller Reward is on April 20, 2026. In addition, the disbursement of this payout will be net of applicable taxes.

### 7. What are the possible reasons why I won't receive my prize?

- Unpaid orders – Enrollment kits that remain unpaid at the time of report generation can lead to inaccuracies in the required Enrollee 100 PV purchase. Kindly complete the payment of your New Enrollee's order as soon as possible.
- Non-PH-based members are not qualified to join this program. This is open to YLPH BPs.
- Returned or canceled orders – orders returned and canceled in your organization will affect the required Enrollee count.
- Failed to purchase the required PV on LR

### 8. Will my prize be retracted if I originally met the requirements but failed to maintain it?

Yes. 100% prize retraction will be implemented should the member fail to maintain the enrollment for two consecutive months, **particularly impacting this is product returns.**

Scenario 1: I qualified for cash prize in March and received the cash prize but after a month, one of my members returned their order. Will the prize be retracted? Yes. 100% prize retraction will be implemented. Since the requirement for cash prize is not met.
