BERGAMOT 15ML

Liven up dull days with Bergamot's signature sweet, earthy and citrusy aroma. With its luxurious scent, Bergamot has been a popular addition to perfumes, moisturizers and cosmetics for hundreds of years. It's also well-known for its relaxing aroma and skin-cleansing properties that help reduce the appearance of blemishes.

Suggested Use

- Upgrade your skin care routine by adding a drop of Bergamot to your favorite shampoos, soaps, serums, and cleansers. Add Bergamot to your nighttime moisturizer to reduce the appearance of blemishes.
- Create a signature perfume by mixing Bergamot with a floral middle note, like Geranium, and a musky base note, like Cedarwood, Patchouli, or Frankincense.
- Have Bergamot handy while at work to create an uplifting and positive environment.

Note:

Since Bergamot is a citrus-based oil, it may cause photosensitivity when used topically and exposed to direct sunlight.

GERMAN CHAMOMILE 5ML

Steam distilled from flowers, German Chamomile has a sweet, fruity and floral aroma, often likened to apples, that promotes feelings of calmness, focus and peace. It has been used in herbal preparations for thousands of years throughout ancient Egypt, Greece, and Rome. German Chamomile can be applied topically to help lessen blemishes or to moisturize the skin.

Suggested Use

- Combine with V-6 Vegetable Oil Complex or your favorite lotion to moisturize and soothe the skin.
- Bask in the aroma of German Chamomile which helps uplift mood and creates an environment for focus and concentration.
