

Come meet around the kitchen table—we're making this fall all about family gathering and seasonal wellness! It's chilly outside, but that doesn't mean you won't find days full of health, joy, and laughter indoors.

Place your qualifying order and get MultiGreens® to boost vitality* before you use Oregano Vitality™ to spice up a homecooked meal. While chatting with loved ones after the evening meal has wound down, diffuse Cinnamon Bark and AromaEase® to comfort and warm your guests or Palo Santo to renew and refresh.

During October we're adding an exclusive Seed to Seal® collection! By reaching 400 PV, you'll receive Our Seed to Seal® Story Collection that features a one-of-a-kind bundle of 10-ml Lavender, Peppermint, and Tea Tree essential oils, along with a beautifully designed insert detailing the rigorous Seed to Seal quality commitment of each of our farms and suppliers.
