

# JANUARY PV PROMO

## GET YOUR WINTER THRIVING KIT!

The fun and festivities of the holidays are wrapping up—now what? You might be tempted to take a cue from the bears and hibernate until spring, but who has time for that? With the winter essentials in January's PV promotion, do more than survive this season: thrive!

Don a pair of YL-branded mittens and beanie and head outdoors for a day of active fun with the family. Too stormy to play outside? Then snuggle up with a cup of Cinnamon Bark Vitality™ tea, diffuse drops of Roman Chamomile, and take the opportunity to rest and replenish your soul. Whatever the weather, you'll get all this and more to help you harmonize with the season in this month's PV promo.

### ESSENTIAL REWARDS ORDERS

**300 PV** Retail value: \$227.70

#### YL-branded mittens and beanie

- Bid frozen fingers farewell. Button back the mitten end for fingerless gloves that keep your hands comfy while you work.
- Head out in style. When you're wearing a beanie this cute, you won't be able to resist going outside to show it off.

#### Clary Sage essential oil, 15 ml

- Keep calm and turn your diffuser on. A long winter and even longer to-do list call for the calming aroma of Clary Sage essential oil to diffuse the stress.
- Win at winter with great hair. Frizz and flyaways don't stand a chance when you enhance your favorite conditioner with Clary Sage.

#### Roman Chamomile essential oil, 5 ml

- Cozy up to Chamomile. Bad weather doesn't have to be a downer; it's an opportunity to kick back with a good book and the sweet, apple-like scent of Roman Chamomile.
- Give your face a fresh start. Add Roman Chamomile to your face cream and ring in a new year of healthy, glowing skin.

#### Cinnamon Bark Vitality essential oil, 5 ml

- Warm up from the inside out. After playing outdoors with the children, cuddle up with a blanket and a mug of tea infused with this flavorful oil.
- Cook up comfort. When the weather outside is frightful, indulge in something delightful, like einkorn pancakes spiced with Cinnamon Bark Vitality oil.

#### Peppermint essential oil, limited-edition 10 ml

- Chill out with a foot rub. If your feet are cramping after a day on the slopes, dilute a drop of Peppermint with 4 drops of carrier oil and get kneading.
- Stimulate the senses. If dark winter skies make you feel sleepy, perk up with the refreshing scent of Peppermint—available in an exclusive 10 ml size.
