KIDSCENTS DIFFUSERS

Dolphin Reef

DinoLand

Whether your child is drawn to the adventure of a Jurassic safari or wants to dive into a deep sea fantasy escape, Young Living's new KidScents™ diffusers capture your child's imagination while offering a unique essential oil experience.

DinoLand and Dolphin Reef are the first Young Living models to be designed specifically with kids in mind. These two diffusers are a great part of our expanding KidScents line and are a phenomenal way to share the value of essential oil use with your young ones.

KidScents[®]
COLLECTION

The KidScents diffusers feature multiple lighting modes. During the day, kids can experiment with magical lighting options to create their own play scene. At night, give sleeping children the comfort of a customizable nightlight and subtle white noise.

In order to allow for more variability, these ultrasonic diffusers feature a motor that can be matched with either cover, DinoLand or Dolphin Reef. Easily snap a new cover in place on the motor to match your child's ever-changing imagination! Covers are also sold separately, so you can easily and affordably upgrade your child's diffuser to provide either interactive scene.

With DinoLand and Dolphin Reef, you can creatively incorporate essential oils into your child's routine! Let your child wake up to the aromatic atmosphere of En-R-Gee™ or Citrus Fresh™. Brain Power™, Clarity™, and Lavender are also kid favorites.

Chocolate-Coated Slique Bars

Not just for your weight-management program, great tasting chocolate-coated Slique® Bars are as tasty as they are nutritious. We packed Slique Bars with exotic fruits and nuts, added a flavor rush of cacao nibs, and dropped in Vanilla, Cinnamon, and Orange essential oils before drizzling them in decadent dark chocolate.

Cool Azul Sports Gel

Cool Azul™ Sports Gel captures the power of Young Living essential oils in a unique plant-based formula that provides a cooling sensation when applied topically.
