# 2015 CONVENTION LIGHT THE FIRE

Keep the flames burning after the convention with Light the Fire™ essential oil blend! Specially formulated for the 2015 International Grand Convention, this aptly named blend supports an inspiring environment when diffused.

Light the Fire is a unique and inspired essential oil blend formulated by Young Living founder D. Gary Young for Young Living's 2015 International Grand Convention. Light the Fire is a perfect embodiment of the great strides we've made in our mission of bringing the power of essential oils to every home.

Light the Fire contains the unique Northern Lights Black Spruce essential oil, as well as exotic Jade Lemon™ and Mastrante essential oils. Each of these oils adds a key component to the inspirational scent of this blend.

Opportunities abound to incorporate this inspiring essential oil blend into your lifestyle! Diffuse Light the Fire during morning prayer or meditation to jumpstart your day or allow the scent to provide a sweet-smelling reminder to take on creative risks or new career challenges.

Light the Fire can be combined with other encouraging essential oil blends such as Motivation™, En-R-Gee™, and Valor II™ to optimize and customize your aromatic experience.

### Chocolate-Coated Slique Bars

Not just for your weight-management program, great tasting chocolate-coated Slique® Bars are as tasty as they are nutritious. We packed Slique Bars with exotic fruits and nuts, added a flavor rush of cacao nibs, and dropped in Vanilla, Cinnamon, and Orange essential oils before drizzling them in decadent dark chocolate.

### Cool Azul Sports Gel

Cool Azul™ Sports Gel captures the power of Young Living essential oils in a unique plant-based formula that provides a cooling sensation when applied topically.
