OVERVIEW DESCRIPTION

One-day Beauty School

Curriculum

From 7 a.m.-5 p.m. you will enjoy advanced product education with practical experience.

Hands-on training:

Clean, nourish, and pamper your face with Young Living's personal care products and Savvy Minerals.

Product education:

Understand your authentic beauty and gain personal and professional skills as you learn about product usage, key ingredients, and the benefits of our naturally derived products.

Optional activities:

Facial photo (\$15): A facial photo includes two subsurface pictures of your skin that can show the specific areas that need more care. It also provides a useful baseline to track changes in your skin from year to year.

Foundation matching (complimentary):

Depending on your skin tone—fair, light, medium, or dark—you will learn which Savvy Minerals Foundation is best for you.

Included meals:

Enjoy one catered lunch buffet as well as afternoon snacks to keep you satisfied and ready to learn. The buffet offers gluten-free, dairy-free, and vegan options.

Two-day Beauty School

Curriculum

For two days you will participate in immersive product education and get in-depth, practical experience.

Hands-on training:

You will try personal care products and items from our Savvy Minerals line as you gain the know-how to build your business and create a beauty regimen for yourself and others.

Product education:

You will learn proper usage, key ingredients, and benefits of our personal care and Savvy Minerals products.

Industry experts will give main event presentations on nutrition, lifestyle, business building, and personal improvement.

Multiple-day Beauty School

Curriculum

For three or more days you will enjoy the most immersive product education and in-depth practical experience we offer.

Hands-on training:

You will take advantage of in-depth, hands-on application training with both our facial care and Savvy products as you gain the know-how to build and improve a beauty regimen for yourself and others.
