

PRODUCT SUMMARY

Young Living's Stress Away Relaxing and Lavender Calming Bath Bombs are an easy way to create an at-home spa experience that not only feels luxurious but also moisturizes your skin and leaves you feeling calm and relaxed. Made with 100 percent naturally derived ingredients and pure essential oils, these bath bombs smell wonderful and help you carry the calming aroma of Lavender or Stress Away even after your bath.

KEY INGREDIENTS

Lavender Calming Bath Bomb

Baking soda, Lavender essential oil, coconut oil, sweet almond oil

Stress Away Relaxing Bath Bomb

Baking soda, Stress Away essential oil blend, coconut oil, sweet almond oil

EXPERIENCE

Enjoy a spa-like experience in your own home with Young Living's bath bombs. Choose between two formulas created with some of our most popular calming essential oils, Lavender and Stress Away. Using naturally derived ingredients, these formulas help moisturize your skin and create a relaxing atmosphere, so you feel like you've spent a day at the spa without leaving your home or spending a fortune on professional treatments.

PRODUCT BACKGROUND

These bath bombs were created with two essential oils to help you relax and unwind: Lavender, for its renowned calming and soothing aroma, and Stress Away, for its warm, inviting vanilla-lime scent. Both oils work with additional key ingredients to cleanse and moisturize, while also relaxing your mind and body.

BENEFITS AND FEATURES

- Leaves skin soft, smooth, and ultra-moisturized
- Creates a soothing and relaxing environment
- Includes only naturally derived ingredients
- Features a vegan, mineral-rich formula
- Contains no parabens, phthalates, petrochemicals, synthetic preservatives, synthetic fragrances, or synthetic dyes/colorants

DIRECTIONS

Drop 1 bath bomb into a tub of warm water. Step in and enjoy an indulgent, luxurious bath experience.

CAUTION

Keep out of reach of children. For external use only.

†100% pure, therapeutic-grade essential oil

FREQUENTLY ASKED QUESTIONS

Q. Which ingredient(s) provide skin softening?

A. Baking soda, coconut oil, and sweet almond oil all work to soften the skin.

Q. What makes these different from bath bombs I could make at home?

A. Dilution is not required except for on the most sensitive skin. You can apply 2–4 drops directly to the desired area.

Q. Can my children safely use the bath bombs?

A. To avoid ingestion, we suggest keeping these bath bombs out of reach of children. However, Lavender and Stress Away Bath Bombs are safe for the whole family under adult supervision.
