

PRODUCT SUMMARY

With a refreshing and rejuvenating aroma, Breathe Again Roll-On is the perfect companion for early mornings, long days, and tough workouts. This blend combines Peppermint, Myrtle, and Copaiba with four different types of Eucalyptus—including Eucalyptus Blue—to create a powerful, invigorating experience. Breathe Again includes ingredients that have the naturally occurring constituent eucalyptol and comes in a convenient roll-on applicator, so you can easily use it anytime, anywhere.

KEY INGREDIENTS

Peppermint, Myrtle, Copaiba, Blue Cypress, Eucalyptus Staigeriana, Eucalyptus Globulus, Eucalyptus Radiata, and Eucalyptus Blue essential oils

EXPERIENCE

With a crisp, fresh scent and an invigorating, tingling sensation, Breathe Again Roll-On delivers an invigorating experience. It contains Peppermint, Eucalyptus, and other powerful oils to refresh your senses at home or on the go.

PRODUCT BACKGROUND

A proprietary blend created by Founder D. Gary Young, Breathe Again combines some of Young Living's most refreshing essential oils—including four different types of Eucalyptus—for a powerful, rejuvenating essential oil.

In addition to various types of Eucalyptus, Breathe Again includes Blue Cypress—which is steam distilled from the leaves and wood of the blue cypress, a tree indigenous to Australia—and Copaiba, which comes from the resin of the Brazilian *Copaifera reticulata* tree. With these potent essential oils, Peppermint, Myrtle, and more, Breathe Again is a must-have any time you're in need of a refreshing experience.

Topical

BENEFITS & FEATURES

- Has an invigorating and awakening aroma, especially when applied under the nose or to the head and neck
- Offers a refreshing experience when inhaled and a cooling sensation when applied topically
- Provides a refreshing scent in stuffy environments
- Can be applied to joints after high-impact activity or to fatigued muscles for a cooling effect after physical activity

SUGGESTED USE

- Carry Breathe Again in your purse or gym bag for a portable refresher whenever you need it.
- Use the roller to massage oil onto fatigued muscles for a cooling sensation after a long day or a hard workout.
- Jump-start the morning by applying the rejuvenating scent to your chest or under your nose for a refreshing experience.
- Apply Breathe Again to your chest for a stimulating aroma and to provide a refreshing scent in stuffy environments.
- Apply it topically in the evening for a soothing and comforting aroma during seasonal changes.

BREATHE AGAIN™ ROLL-ON

DIRECTIONS

Apply generously to chest and neck as desired.

CAUTIONS

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
