

CHOCOLATE-COATED SLIQUE® BARS

PRODUCT SUMMARY

Members have always enjoyed Slique[®] Bars as a safe, delicious weight-management tool that utilizes a dualtarget approach to help manage satiety. Now this innovative bar is coated in delicious dark chocolate!

To support any weight-management plan, Slique Bars are loaded with exotic baru nuts and wholesome almonds, which promote satiety when combined with protein and fiber. We also use a potato skin extract that, when ingested, triggers the release of cholecystokinin in the body, increasing the duration of feelings of fullness.*

KEY INGREDIENTS

Organic dark chocolate, Baru nuts, Almonds, Wolfberries (*Lycium barbarum*), Potato skin extract

FORMULATED WITH

Vanilla[†] (Vanilla planifolia) essential oil, Orange[†] (Citrus sinensis) peel oil, Cinnamon[†] (Cinnamomum verum) bark oil

EXPERIENCE

When you eat a Slique Bar, you experience a delectable, crunchy, on the go weight loss bar. Not only can it help you stay on track for your weight loss goals, it can be a snack you look forward to eating every day!

PRODUCT BACKGROUND

Slique Bars were created to enhance the Slique line with a go-to, healthy snack. Slique Bars were formulated to deliver essential nutrients from a unique superfruit blend of goldenberries and wolfberries, plus pure Cinnamon, Vanilla, and Orange essential oils. The dual-target satiety approach and medley of exotic fruits, nuts, and potato skin extract create a nutritious, stimulant-free snack to help you feel fuller, longer.

BENEFITS & FEATURES

- Manages satiety^{*}
- Potato skin extract triggers the release of cholecystokinin (CCK) in the body, increasing the duration of feelings of fullness
- Delivers delicious taste and promotes fullness when combined with protein and high levels of fiber
- Helps moderate cravings*
- Supports weight management*

DIRECTIONS

Consume before or between meals with 12 oz. of water to help manage hunger.

CAUTIONS

- Individuals who may be sensitive to high fiber diets should exercise care when consuming more than 2 bars daily
- Please consult a health professional prior to beginning a diet or exercise regimen

FREQUENTLY ASKED QUESTIONS

Q. How exactly do chocolate-coated Slique Bars differ from the original Sligue Bars?

A. All the ingredient have been reduced by 14% and we have add 14% chocolate. Other than the chocolate addition, the formula is identical to the original Slique Bar.

Q. Are chocolate-coated Slique Bars gluten free?

A. Yes, the new chocolate-coated Slique Bars are considered gluten free.

Slique[®] Essence

Item No. 4586

Q. Why does this product have less PV than the wholesale price?

A. In most cases the Personal Volume (PV) is the same as the wholesale price. With the Slique Bars and Slique Shake, the PV is lower than the wholesale prices due to production costs of the unique combination of exotic ingredients and powerful essential oils. Reducing the PV of these products will help more members take a step in the right direction-toward health and happiness!
