

Essential Rewards SubscriptionFAQ

Q. What does this change mean for Essential Rewards?

A. Young Living has long referred to Essential Rewards as an “autoshipment” program, which does not fully describe the benefits offered. By calling it the Essential Rewards subscription program, we can more accurately represent the full array of benefits available, including monthly shipments, points toward future purchases, loyalty gifts, YL Go, and muchmore.

Q. Are there additional changes to Essential Rewards?

A. No, the only change to Essential Rewards will be the change in terminology, calling it the Essential Rewards subscription program instead of the Essential Rewards monthly autoshipment program.
