WHY WE *love* IT

Served hot or cold, Gary's True Grit™ Einkorn Granola is a great way to start your day. With crunchy clusters mixed with chewy dried wolfberries, this granola is perfect to pack along with you no matter where you go!

Many cereals and on-the-go snacks are filled with sugar, high-fructose corn syrup, artificial colors, and artificial flavors. Instead of including these unhealthy ingredients, our

EINKORN GRANOLA

is sweetened by the combination of wolfberries, cranberries, cacao nibs, and coconut sugar. These sweet hints are balanced by sunflower seeds, almonds, walnuts, and pecans, with just a dash of sea salt.

No matter where life takes you, you'll be glad you brought Gary's True Grit Einkorn Granola along for the ride!
