

WHAT IS THE FAIR WITH FLAIR?

The Fair with Flair features creative sharing ideas, branded swag, exclusive business building tools, product sampling, and free pampering services. Throughout the evening, enjoy a free hand massage, chocolate facial masque, or stylish up-do. Or you can stop by to get a beautiful temporary tattoo, try our skin care and Savvy Minerals products at our sample tables, and join in some fun DIYs. Don't miss the fun contests where you and your crew can compete for awesome prizes and the title of ugliest sweater, most elaborate mask, or most creative team costume. If shopping is more your thing, there is also a swag boutique that offers exclusive and unique items to help you grow your business. The Fair with Flair is always an evening full of memories and photo opportunities that you will want to be a part of!
