WHY WE *love* IT

Formulated for the 2017 International Convention, this proprietary blend of nine essential oils will help you **CREATE AN ATMOSPHERE OF FOCUS AND CLARITY** no matter where your path to fulfilling your destiny takes you.

Selected by Young Living Founder and Chairman of the Board D. Gary Young, each oil plays an integral role in the aromatic and topical profile of this one-of-a-kind blend. Cassia, Frankincense, and Black Pepper essential oils are bold and empowering scents; Tangerine, Neroli, and Nutmeg engage your senses while adding a sweet and soft element to the aroma; and Clary Sage, Idaho Blue Spruce, and Cardamom offer balancing notes of fresh herbaceousness.
