

BEAUTY BOOK

Our Beauty Book is a valuable tool for everyone. With step-by-step instructions for hosting an at-home beauty class—from determining skin types to developing facial care and beauty routines—this beautiful book is designed to boost the confidence of any host. In addition to must-have information, the book includes removeable, at-a-glance product information cards with enough information about product benefits, key ingredients, directions, and complementary products to make any presenter an expert. A coffee table-worthy volume, this beautifully designed book is a great read for anyone wanting to build their business or learn more about Young Living's remarkable line of personal care products.
