

ICP DAILY

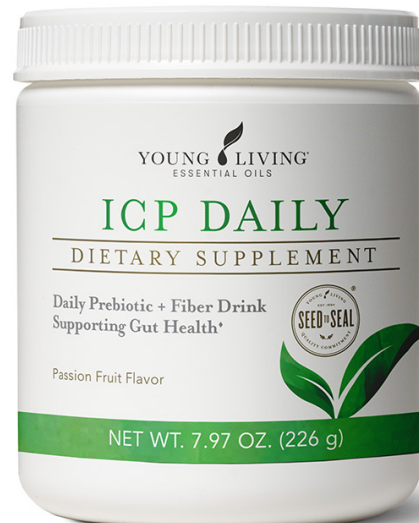

30 servings

Item No. 36014

Meet ICP Daily™, Young Living's newest, exclusive daily prebiotic and fiber drink that supports your gut health one sip at a time. Unlike ICP™, which was formulated for occasional cleansing, ICP Daily is gentle enough to use every day. Every family member over the age of four will love its new and improved formula with its sweet, exhilarating, 100 percent plant-based natural passion fruit flavor that mixes seamlessly with water, NingXia Red®, or juice without clumping.

The new ICP Daily contains 6 grams of plant-based prebiotics and 5 grams of soluble fiber your body needs to support your gut microbiome. This drink mix helps fuel your body's healthy gut bacteria, along with supporting your digestive and immune health and cleansing metabolic toxins—everything you need to start feeling good from the inside out! ICP Daily is gentle on your stomach so you can take it every day, and it helps maintain regular digestion when it's difficult to eat enough fiber-rich foods. By taking ICP Daily and NingXia Red in the morning and Life 9® at night, you create a powerhouse synergistic routine that nourishes healthy gut bacteria.

KEY INGREDIENTS

- **Agave inulin:** Plant-based prebiotic fiber from the *Agave tequilana* plant that provides a feeling of fullness

ICP DAILY

PRODUCT BACKGROUND

ICP Daily is packed with natural, powerful plant-based ingredients formulated so you can take it daily to help support your digestive tract. The prickly pear cladodes extract from the *Opuntia ficus indica* plant comes from the Mediterranean Sea and helps support the health and maintenance of the mucosal lining of the intestinal wall. Agave plants, commonly found in Mexico, have been known historically to be an important source of natural fiber, which is why we chose the natural agave inulin prebiotic fiber in this formula. Guar gum is a plant-based soluble prebiotic fiber that aids in nourishing healthy gut bacteria.

SUGGESTED USE

- Take in the morning 30 minutes before meals on an empty stomach.

DIRECTIONS

- Mix 1 scoop in 8 ounces of water or juice once daily.
