**Product Summary**
JuvaCleanse® Vitality™ belongs to Young Living’s Juva line and was designed to be taken as a supplement along with a diet of fiber-rich foods. Combining Helichrysum, Ledum, and Celery Seed essential oils, JuvaCleanse Vitality complements other Juva products, including JuvaFlex®, JuvaPower®, JuvaSpice®, and JuvaTone®. JuvaCleanse Vitality is formulated to have cleansing properties, to help support digestion, and to support a healthy immune system. With many beneficial properties, JuvaCleanse Vitality is a great addition to your daily dietary supplements.*

**Key Ingredients**
Helichrysum, Ledum, and Celery Seed essential oils

**Experience**
Formulated with three synergistic essential oils—Helichrysum, Ledum, and Celery Seed—JuvaCleanse Vitality helps support general wellness and offers cleansing properties when taken as a supplement along with a fiber-rich diet.*

**Product Background**
The celery plant was originally found growing in salt marshes around the Mediterranean Sea and was first used by the Ancient Greeks to make certain types of wine. Ledum originated from eastern Canada and was locally used as “Labrador tea.” Helichrysum is a self-seeding plant in the sunflower family. It grows natively in rocky, sandy terrain throughout the Mediterranean and is harvested at the Young Living Dalmatia Aromatic Farm.
