

PRODUCT SUMMARY

Homework first! When young minds need to focus, help keep the distractions at bay by diffusing KidScents® GeneYus during projects or lessons. The familiar, earthy aroma can promote feelings of grounding and clearness while simultaneously helping to ease feelings of occasional stress and distraction. Make study time a joy!

KEY INGREDIENTS

Frankincense, Cedarwood, Palo Santo, Melissa, and Bergamot essential oils

EXPERIENCE

Create an atmosphere that helps the creative juices flow! KidScents GeneYus helps create a space where your young one's brainpower can thrive!

PRODUCT BACKGROUND

Sometimes young minds need a little assistance when it comes time to put away the games and settle in to focus on schoolwork. To help with this daily duty, Young Living blended over 15 essential oils to create a unique aroma that promotes an environment conducive to clarity and alertness. The grounding, meditative qualities associated with Frankincense, Cedarwood, and Myrrh essential oils harmoniously fuse with the inspiring, sweet properties of Bergamot and Rose, creating a pleasant, calm atmosphere that can help your little one turn off the noise and hit the books.

Aromatic

Topical

Photosensitive

BENEFITS & FEATURES

- Excellent blend to diffuse when children are concentrating on projects or schoolwork
- Aroma creates an atmosphere conducive to clarity, creativity, and alertness
- Pre-diluted for delicate skin

SUGGESTED USE

- Use aromatically to help children breathe in the beneficial vapors.
- Diffuse during homework time to create a grounded, focused atmosphere.
- Apply 1-2 drops directly to the skin for a closer, concentrating experience.

DIRECTIONS

Recommended application is for children ages 2-12.

Topical: Apply 2-4 drops directly to desired area. Dilution not required, except for the most sensitive of skin. Use as needed.

Aromatic: Diffuse up to 1 hour 3 times daily.

CAUTIONS

- To be applied only by a trusted adult or under adult supervision.
- Keep out of the reach of children.
- For external use only.
- Keep away from eyes and mucous membranes.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
- Avoid direct sunlight or UV rays for up to 12 hours after applying product.
- Keep in a cool, dark place.

Caprylic/capric triglyceride, *Boswellia sacra*[†] (Sacred Frankincense™) oil, *Callitris intratropica*[†] (Blue cypress) wood oil, *Cedrus atlantica*[†] (Cedarwood) bark oil, *Picea pungens*[†] (Idaho Blue spruce) branch/leaf/wood oil, *Bursera graveolens*[†] (Palo santo) wood oil, *Melissa officinalis*[†] (Melissa) leaf oil, *Picea mariana*[†] (Northern Lights Black spruce) leaf oil, *Prunus amygdalus dulcis* (Sweet almond) oil, *Citrus aurantium bergamia*[†] (Bergamot) peel oil, *Commiphora myrrha*[†] (Myrrh) oil, *Vetiveria zizanioides*[†] (Vetiver) root oil, *Pelargonium graveolens*[†] (Geranium) flower oil, *Santalum paniculatum*[†] (Royal Hawaiian Sandalwood™) wood oil, *Cananga odorata*[†] (Ylang ylang) flower oil, *Hyssopus officinalis*[†] (Hyssop) leaf oil, *Coriandrum sativum*[†] (Coriander) seed oil, *Rosa damascena*[†] (Rose) flower oil

[†]Pure Essential Oil

FREQUENTLY ASKED QUESTIONS

Q. Should I dilute GeneYus prior to topical use?

A. All of our KidScents essential oil blends were formulated with children's extra-sensitive skin in mind. Dilution is not necessary, except for only the most sensitive skin.

Q. With so many oils in the GeneYus formula, is the scent overbearing?

A. As GeneYus is pre-diluted, each of the blended oils are both gentle on your skin and on your nose!

Q. Can GeneYus essential oil blend be ingested?

A. GeneYus is labeled for topical and aromatic use and is not intended for internal consumption. Be sure to always follow the individual label instructions for Young Living products.
